

SLUG LINE CHANGE

(Pentagon/Crystal City/Rosslyn)

To help us all get to work quicker in the mornings, effective **Monday, 12 January, 2004**, the AM pickup slug-line at Horner Road will be split. Pentagon slugs will remain at the current location while the Crystal City and Rosslyn lines will be moving to adjacent locations. See map below. Please share this information with the drivers and fellow riders.

****RIDERS WILL LINE UP FACING THE SAME DIRECTION AS THE CARS.**
