

# CrystalCity

Go **BOTH** Ways

**STARTING JUNE 26<sup>TH</sup>**

## Crystal City will **Go Both Ways** on June 26<sup>th</sup>

*New vehicular and pedestrian circulation patterns in Crystal City will take effect at midnight on June 26<sup>th</sup>. This initiative features several components:*

### **1** New two-way streets will allow Crystal City to work like other typical urban districts.

- Crystal Drive from 23<sup>rd</sup> Street to 15<sup>th</sup> Street will become two-way, with two northbound lanes, two southbound lanes, and bike lanes on both sides of the street. Metered retail parking will be on the west side of Crystal Drive.
- 20<sup>th</sup>, 18<sup>th</sup>, and 15<sup>th</sup> Streets will become two-way streets as well—carrying one lane of traffic eastbound and one lane of traffic westbound on each of these newly configured streets.
- All new intersections will have new traffic signals and signage.

### **2** New access into Crystal City from Route 1 via 20<sup>th</sup> Street—with a new turn lane established.

### **3** New pedestrian enhancements.

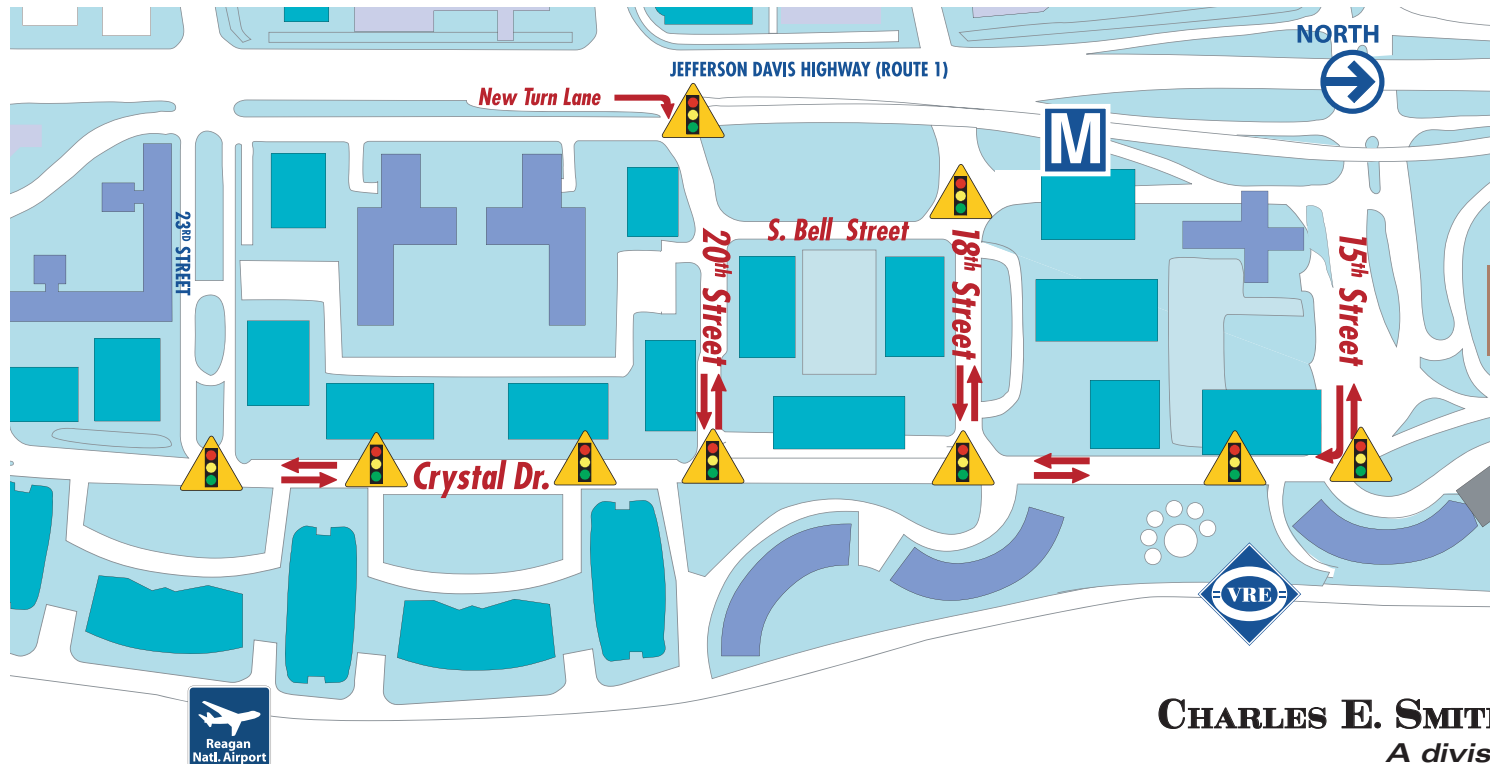

- New signaled crosswalks with “count-down” screens and sound signals (for the visually impaired).
- New entry on 23<sup>rd</sup> Street into the Route 1 pedestrian underpass tunnel.

# NEW CIRCULATION PATTERN

We are already transitioning to this new circulation pattern. Digital displays are alerting drivers to “New Traffic Patterns Ahead” and temporary pylons will re-lane and re-train traffic prior to June 26<sup>th</sup>.

During the first days of this transition, police officers will help direct traffic through these new intersections. You’ll find friendly “Crystal City Streetsters” available at new crosswalks to answer questions and direct pedestrians. Over the next several weeks, you’ll also begin to see new directional signage and way-finding signage throughout Crystal City.

And during the first business day, on June 28<sup>th</sup>, you’ll see Crystal City celebrating all of the enhancements!

*We appreciate all of your  
patience and support—  
as we translate the vision  
for Crystal City into reality.*
