

Potomac Mills

More stores. More brands. More savings. More fun.

COMMUTER PARKING LOCATION CHANGE

Potomac Mills is currently in the midst of an exciting construction project that will result in three new full-service restaurants – The Cheesecake Factory, Bahama Breeze and Bobby's Burger Palace – along with a contemporary exterior renovation revealing a modern new face to the south side of the property! As a result, we need to shift our commuter parking location. **Please note that we will continue to allocate 275 parking spaces for commuter use.**

The current commuter parking lot is indicated in green on the site plan below and is designated by a painted green line.

As of Monday, October 8, 2012*, the commuter parking lot will be in a **temporary** location as indicated in blue on the site plan below. The temporary parking lot is needed to allow for the current and new lots to be repaved. This lot will not be designated by a painted line; we will simply have a security vehicle parked at the site and commuters may park to the south of the vehicle.

As of Monday, October 15, 2012*, the commuter parking lot will be in its **new location** as indicated in red on the site plan below. This lot will be designated by a painted red line.

Please feel free to contact Potomac Mills' Mall Management Office at 703-496-9301 with any questions. Thank you for your cooperation!

*Dates are subject to change due to weather conditions, etc.
